This Sunday at CRBC

What does it take to be a man after God's own heart? As noted in scripture, what made David that man? CRBC Pastor Danny Estave, beginning a new sermon series in 2 Samuel, discusses what a heart after God's heart is like, and how David ultimately fell short as Israel's king.

Join us for worship this Sunday at 11AM (also on YouTube).

Those Who Have Gone, But Are Never Forgotten

As we approach the upcoming Memorial Day holiday, let's remember the significance of this day. This special day is observed the last Monday in May to honor those who lost their lives in service to the United States Armed Forces during peace or war.

On May 13, 1864, Private William Christman became the first soldier to be buried at Arlington National Cemetery. On June 15, 1864, the army formally designated 200 acres of the property as a military cemetery. Today, there are over 400,000 graves of men & women (and eligible dependents) who sacrificed in service to our country. Every American owes a tribute to these often forgotten heroes. All gave some....some gave all. We cannot know them all, but we do owe them all. May we all remember those who died in service to our country wars. Our memory of them is a treasure. They are loved beyond words and missed beyond measure.

Greater love hath no man than this: that a man lay down his life for his friends — John 15:13

As Christians, we look to Jesus and remember the One who laid down his life and suffered an unimaginable death on the cross for us to be set free from the chains of sin and death. This Memorial Day, may we also remember those saints, members of Creedmoor Road Baptist Church, who served as Christian soldiers, fought the good fight, and won the victory in Jesus Christ our Lord.
