November - A Month to Remember

Most of us are excited to usher in the month of November. It comes with changes in the weather and the opportunity to "fall back" for an hour of extra sleep. November shows off God's creation with the beautiful changing colors of the fall foliage. It's also known for its connection to personal reflection, change, and discovering how we can impact the world around us.

Fall Back

Set your clocks back one hour before bed on Sunday.

By faith we understand that the worlds were framed by the word of God, so that the things which are seen were not made of things which are visible — Hebrews 11:3

November is also a month full of celebrations such as All Saints Day, Veterans Day, Native American Heritage Day, and many health observances. Thanksgiving, one of the most popular holidays in the United States, is a day of expressing gratitude to God and others as loved ones share a meal and time together.

When we take time to appreciate the world around us, we are drawn closer to God and stay more connected to his creation. May we remember to thank and praise God for his bountiful blessings of creation that we see everywhere.

The Numbers from Sunday

Last Sunday, there were 32 in worship. Giving to CRBC totaled \$1,723.

Thank You

Thanks to all of you who came out to greet me after Sunday Service to wish me well on my 99th birthday. It was great to see you all! Also, thanks for all your prayers and blessings over the years!

In Christian Love,
Clara Wimmer

Prayer Requests

- Pray that we would demonstrate genuine love to all people.
- Pray that we would be a blessing to all people and not curse those who persecute or are rude to us.
- Pray that we would have the strength not to seek revenge, but let God execute His vengeance.

If you have prayer requests to be added to next week's prayer list, please share them with CRBC Pastor Danny Estave or the church office. The contact information is on page 1 of this newsletter.
