A Call of Urgency

In a recent *Gospel Project* lesson, we read about how important and urgent it is to advance the gospel of Jesus Christ. So, how do we take on the mission of the Great Commission? Let's start with the Bible that tells us that the church was created to build up the body of Christ and grow in our faith so we can proclaim the gospel to the world. People outside of the church need help to see their need for a savior. Through the grace of God, we have been given spiritual gifts that enable us to go and tell. Our responsibility is great, our obligation is real, and our duty calls.

How then shall they call on Him in whom they have not believed? And how shall they believe in Him of whom who they have not heard? And how shall they hear without a preacher? And how shall they preach unless they are sent — Romans 10:14-15

The urgency in all this is: Everyday, people are dying who need the Lord. According to the *World Population Review*, approximately 166,859 people die in the world each day. We all have family & friends that Jesus is calling to "come home" to Him. God calls us to pray for the lost, to grow in our faith, and live a life in complete surrender and obedience to Him. Once again: our responsibility is great, our obligation is real, and our duty calls. May the following words from the hymn *People Need the Lord* remind us of our mission as we grow in spiritual maturity:

*People need the Lord; at the end of broken dreams, He's the open door;
We are called to take His light to a world where wrong seems right;
When will we realize that we must give our lives for people who need the Lord.*
